

Long Term Service Agreement

Fulcrum Quality and Commissioning (QCx) Services

Complex system Operations & Maintenance (O&M), training, and management.

If facility operations and maintenance is a challenge, consider our vast array of capabilities:

- Diesel Generator Support
- DCH electrical inspections
- Cooling tower maintenance
- Chiller condenser cleaning
- HVAC support
- Rotating equipment (Vibration, Thermography, IR)
- Fire protection testing

Fulcrum is a Quality and Commissioning (QCx) company specializing in the comprehensive knowledge, skills, and abilities associated with constructing, commissioning, operating, and maintaining complex critical infrastructure in North America.

“It takes 20 years to build a reputation and five minutes to ruin it. If you think about that, you’ll do things differently.”

Warren Buffett
