## Fulcrum Quality and Commissioning (QCx) Services

SAT-ADDIE, a proven method utilized by all U.S. critical power infrastructure

The workforce and stakeholders are yearning for a structured method to efficiently teach job performance-based tasks that address performance deficiencies. Implementation of a structured systematic repeatable approach (SAT-ADDIE) is essential to achieve consistent performance outcomes. This is true both of training and task execution.

Systematic Approach to Training (SAT)

- Analyze
- Design
- Develop
- Implement
- Evaluate

“A system of education is not one thing, nor does it have a single definite object, nor is it a mere matter of schools. Education is that whole system of human training within and without the school house walls, which molds and develops men.”

*W. E. B. Du Bois*
